Dear Bride and Bridegroom,

We are glad to hear that you are interested in Salzburg, whether you've chosen Salzburg for your wedding or your honeymoon. We have the pleasure of sending you some useful information to make your stay in Salzburg a memory you will treasure.

No matter when you decide to come, in the height of spring, during the summer, when the world famous music festival takes place, in autumn when the colors of the leaves are rich and warm, in winter when Salzburg becomes a snow-covered fairy tale city, you will not be disappointed. As the famous Austrian poet Hermann Bahr once said, " Salzburg is always beautiful although you think it looks the loveliest every time you're there."

A wedding in Salzburg is a very special occasion. The **marriage ceremony** will take place in the beautiful baroque Marble Hall in Mirabell Palace. For unforgettable photographs of the "most beautiful day of your life," the "angel staircase" and the stunning Mirabell Gardens will make wonderful background settings.

Since 2011 City of Salzburg registry office employees have also been conducting wedding ceremonies beyond the walls of the marble hall. For a list of venue options go to [www.salzburg.info/heiraten](http://www.salzburg.info/heiraten) and LOCATIONS.

### **Formalities for the CIVIL ceremony:**

You must obtain certificates of no impediment from the Registry Office at your respective **place of residence** if at least one of you lives in Austria. They will also tell you which documents you will need. The Registry Office official in charge of publishing the banns will authorize the wedding at the Registry Office. Make sure you schedule a date and time for your wedding at the Registry Office on time.

The application for the publication of the banns should be filed at least 5 - 6 weeks prior to the date of the wedding. Weddings at the Registry Office in Mirabell Palace are held every Tuesday and Friday from 8 a.m. to 11.45 a.m. and Saturdays from 9 a.m. to 2 p.m.

If you **do not have a residence in Austria**, ask the Salzburg Registry Office which documents you will need to have the banns published. Since the documents you will need depend on your personal circumstances, the following information should be submitted with your inquiry: your nationality, country of birth, residence, marital status (single, divorced, widowed, number of previous marriages, where they were solemnized, when they were dissolved, number of children you have with each other and where the children were born.

You can also send your documents directly to the Salzburg Registry Office 5-6 weeks prior to the date of your wedding:

## **“Registered Partnership” for homosexual couples**

For “Registered Partnership” the same procedure is necessary as for any other wedding.

If you prefer to have an experienced wedding planner help you with your wedding arrangements, please contact one of the agencies on the list. But please contact the Salzburg Registry Office concerning the formalities for the civil ceremony.

Information from A-Z and many useful tips are provided below. Please feel free to contact us if you have any further questions.
