Dear Bride and Bridegroom,

We are glad to hear that you are interested in Salzburg, whether you've chosen Salzburg for your wedding or your honeymoon. It is our pleasure to provide you with useful information to make your stay in Salzburg a memory you will treasure.

No matter when you decide to come, in the height of spring, during the summer, when the world-famous music festival takes place, in autumn when the colors of the leaves are rich and warm, in winter when Salzburg becomes a snow-covered fairy-tale city, you will not be disappointed. As the famous Austrian poet Hermann Bahr once said, "Salzburg is always beautiful although you think it looks the loveliest every time you're there."

A wedding in Salzburg is a very special occasion. A number of romantic locations all over Salzburg provide the perfect setting – foremost, the beautiful baroque Marble Hall in Mirabell Palace, which is said to be one of the most beautiful wedding locations in the world. For unforgettable photographs of the "most beautiful day of your life," the "Angel Staircase" and the stunning Mirabell Gardens serve as wonderful backdrops. City of Salzburg registry office employees also conduct wedding ceremonies beyond the walls of the Marble Hall. Some of these locations are well-known romantic settings from "The Sound of Music". For a list of venue options go to www.salzburg.info/weddings and the list of "locations".

If you prefer to have an experienced wedding planner help you with your arrangements, please contact one of the Salzburg wedding planners. Please contact the Salzburg Registry Office concerning the formalities for the civil ceremony.

Below you will find general information about the wedding ceremony and information from A-Z with many useful tips and suggestions for your stay.

Please feel free to contact us if you have any further questions. We wish you an unforgettable time in Salzburg!

Sincerely,

Salzburg Information

GENERAL INFORMATION FOR WEDDINGS

Formalities for the civil wedding

Couples wishing to get married in Salzburg must provide the registry office ("Standesamt") in Salzburg, or another registry office in Austria, with a written declaration of eligibility to marry, if at least one member of the couple resides in Austria.

The responsible people there will also tell you which documents you need. Make sure you schedule a date and time for your wedding at the Registry Office well in advance.

If you do not have a residence in Austria, ask the Salzburg Registry Office which documents you need to have the banns published. Since the precise paperwork required can only be determined once the personal circumstances of the couple are known, when submitting your request please enclose the following information for both people: name, town/city and country of birth, nationality, current residence, marital status (single, divorced, widowed), number of previous marriages, if any, location where the previous marriage took place, location where the marriage was dissolved, number of shared children, countries where children were born.

"Registered Partnerships" for homosexual couples

For "Registered Partnerships" the same procedure is necessary as for any other wedding. The Registry Office at Mirabell Palace is also responsible for the appointment of the banns.

Detailed information (in German) you will find [here](#).

Formalities for the church wedding

For a church wedding please contact the responsible rectory where the necessary marriage arrangements are made. Churches in many denominations are available for your church wedding. The churches listed in this brochure have a rich cultural, historical and architectural heritage and are a magnificent setting for a festive wedding. The names of other churches and chapels are available upon request.

Besides the rectory, also available for questions to a church wedding is:
